Let's Start!

Let's visit a cultural landmark in Manhattan!

Learning Outcome

Accurately use information about directions to places in a limited range of social situations.

Can Do Statements

- I can talk about places in a city.
- I can ask for and give directions.
- I can tell someone where something is located.

Ask your partner:

- Do you like to spend time in museums? What do you like to do?
- What's your favorite kind of museum?

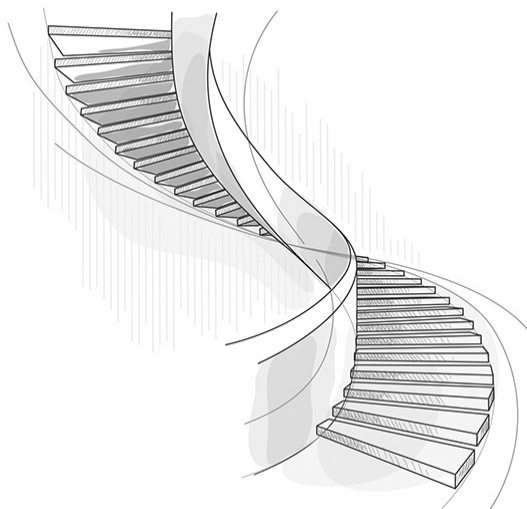

Let's Explore!

Sally visits **Frank Lloyd Wright***'s most famous building. It's a cultural landmark!

* "Frank Lloyd Wright" was an important American architect. He was born in 1867 and died in 1959.

Instructions: Read the text aloud.

Guggenheim Guide: Welcome to the Guggenheim Museum. Let's start our tour. The museum is a landmark in Midtown. It's based on the original sketches by Frank Lloyd Wright. The materials used in construction reflect the architect's vision. You can see his drawings near the entrance.

Sally: Where does the visit start?

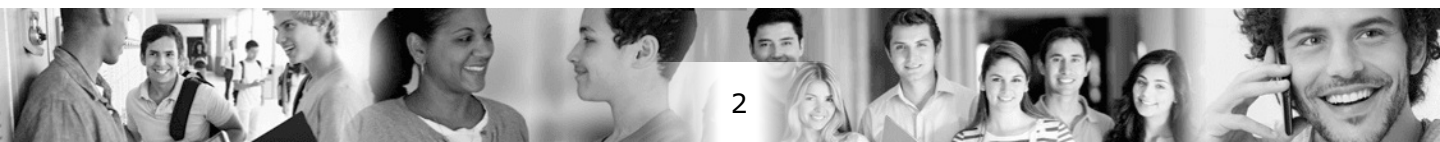

Guggenheim Guide: Let's start at the top of the spiral staircase. Follow me. Notice how natural light comes in through the glass roof.

Sally: Where are the special collections?

Guggenheim Guide: They're all around this staircase. Read the room descriptions for a complete list.

Sally: This is a beautiful building. How do I get to the gift shop?

Guggenheim Guide: It's beside the exit doors. Continue all the way down to the main floor. Walk across the lobby. The gift shop is on your left.

Let's Practice!
